**General Capacity Building Programmes**

Performance in Any Organisation is a Direct Consequence of the Quality of Its Top Managers…

WE OFFER TO HELP TO RAISE PERFORMANCE IN YOUR ORGANISATION
**Introduction**

One of the major changes in understanding our human interactions and predicting success is the discovery that our emotions and the way we manage them and that of others around us are the most important keys for determining our performance and output hence the development of our understanding of our emotions otherwise called Emotional Intelligence.

Managers effectiveness has been proven to be a direct result of their awareness and addressing of their emotional intelligence. The best part however is that emotional Intelligence unlike IQ can grow or reduce making it necessary for Senior Managers to have a full understanding not just for their persons but for those they provide leadership to hence this training.
