# What is Gras Savoye's role as an Insurance Broker?

- **Placing your Insurances:** We will be an intermediary between your insurer and you. Our role is to represent and protect your exclusive rights and interests. We will help you place your insurances with the best Insurance Company ensuring that you receive the most adequate cover at the minimum cost. We negotiate with the insurers to find the best terms, conditions and premiums based on our experience acquired over the years.
- **Portfolio Administration and Servicing:** We will prompt you on all your renewals, hold renewal meetings with you, note all changes to be made and arrange for renewals. In all these processes, we will create a perfectly transparent relationship with you.
- **Claim Management & Processing:** We assist and guide you through **your claims processing and management**, seeing to it that **you receive your claim cheques within the shortest possible time.**
- **Internal Audit:** We carry out periodic and comprehensive audit your insurance portfolio with the view to assessing the adequacy of cover, making recommendation where appropriate.

# What does it cost you ?

- **Nothing! Absolutely nothing!** Rather, we are paid commissions by your chosen insurers because in many ways, we will help them to deliver the best quality insurance services to meet the needs of your operations.
- On the contrary, we fully represent your interest in any dealings with your chosen insurers and there is no conflict of interest.

**NB.** The commissions we receive **DOES NOT** insurance your premium in any way.

# Meeting deadlines

- We deliver on all deadlines as far your insurance needs and requirements are concerned. This is the high standard of service delivery we have set over the years and we promise to live by it.
